Dear Parents/Carers and Grandparents,

This is the last week of the term and we would like to thank you all for working collaboratively with the school to ensure that your child achieves to their very best in every subject.

On Friday we have our Harmony Day which is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day we can learn and understand how all Australians from diverse backgrounds equally belong to Australia and enrich our great land. We are a multicultural country and at Gray we are a very multicultural school with 29 languages spoken by students at the school. This diversity is something we all embrace and love about Gray School. All parents /carers and families are very welcome to join us for Harmony Day on Friday 4th April from 10.30am to 12.30pm.

This year it is Gray School’s 30th Birthday and we will be celebrating this event on Thursday 25th September. We are currently looking for volunteers who would be happy to be on an organizing group for this wonderful event. It is not a huge amount of work involved as the planning has already been done by the staff and School Council has looked over that planning. If you are interested in supporting the school in this way can you please let either Kylie at the Gray Family Centre or Sue Beynon know. Your help would be much appreciated.

Thank you to all the parents who have come along for parent interviews this week. If you have not had an interview with your child’s teacher can you please speak with the teacher to organize a time early next term. It is very important for all parents to meet with the teacher so that you have a good understanding of the progress your child is making and the areas where they need support.

We hope you have a wonderful weeks holiday with your children. Stay safe and healthy.

Have a wonderful week.

Sayonara—Sue Beynon, Principal and Sharon Chin, Assistant Principal
